● Press & Hold to turn ON / OFF  
 ● Press Button to cycle through modes  
 ● 5 vibration strengths (V1~5) & 2 rhythm modes (R1, R2)

**⚠ Warning: When wearing the SVR**  
 The SVR uses a soft silicone, but tightness of the item is subjective to the user. If you feel the product is too tight, or see any adverse bodily effects, cease use immediately and consult a medical professional. The silicone material will stretch due to wear-and-tear from normal, multiple uses. If you feel the Ring is too loose for normal use, please dispose and consider purchasing a new SVR.

Do not forcibly over-stretch the Ring.

#### How to Charge

- ① With △ facing forward, attach USB SVR Connector to SVR.
- ② Plug the USB Cable into an available PC USB port or AC Adapter.
- ③ If connected properly, the Charging Lamp will turn on.
- ④ Once fully charged, the Charging Lamp will turn off.
- ⑤ Remove the USB Charger horizontally so as not to damage either the USB Charger or USB port of your charging device.

⚠ Do not force plugs into ports. This may lead to product damage.  
 ⚠ ALWAYS ensure the ports are dry after washing. If ports are wet there is danger of electrocution or death, and damage to product.

Please ensure USB is compatible with your AC Wall Plug Adapter.

- ⚠ For first use, or use after a long period of disuse, please make sure to fully charge.
- ⚠ To sustain battery life as long as possible, please recharge to full charge at least every 6 months.
- ⚠ The included USB Cable is not waterproof.
- ⚠ Do not attempt to attach or remove USB Cable with wet hands, as this may lead to burns, electrocution, or injury.

#### Instructions

- Do not place Product in mouth. Do not attempt to swallow product. Do not insert item in body.
- Do not use with Massage Oils, Baby Oil, or any oil-based lubricant.
- Use only water-based lubricants with this product.
- The SVR is waterproof up to 50cm. Do not place in deeper waters or expose to intense streams of water. This may lead to product damage.

#### Cleaning & Storage

- Always wash before first use and after every use with cold or tepid water.
- Do not boil or attempt to wash with hot water. Do not place in hot or cold water for extended periods of time.
- If using soap, please use only a mild, neutral soap.
- Dry with a cloth and allow the item to air dry in a cool, dry place. Store in the Travel Case for storage.
- Do not clean with alcohol or highly acidic/alkaline cleaners. This may cause discoloration of product.
- Store away from direct sunlight, in a cool, dry place.
- Please do not store with insecticides, solvents, silicone items, or oil-based products. This may cause the product to become deformed.

#### Disposal

- Regarding disposal of Waste Electrical and Electronic Equipment (WEEE).
- The symbol of a crossed-out dustbin indicates that this item should be taken to an appropriate collection point for proper disposal. Please do not dispose with household waste. Product contains Li-ion Polymer Battery.

#### Caution

- The SVR uses a soft silicone, but tightness of the item is subjective to the user.
- If you feel the product is too tight, or see any adverse bodily effects, cease use immediately and consult a medical professional.
- Do not excessively stretch the outer silicone layer. This may cause snapping or other product damage.
- Do not remove the outer silicone layer. This may cause product damage or other defects and is a fire hazard.
- Do not attempt to fix the product if found defective. This may lead to fire and electricity hazards and may put you in danger.
- If you have a pacemaker or other electronic medical instrument, are pregnant, are being treated for any medical issue, or otherwise have any concerns regarding your health, please consult a doctor before use of this product.
- DO NOT use on any damaged, irritated skin or any other bodily areas requiring medical attention.
- If you notice any adverse physical effects during use, cease use immediately and contact a medical professional. Prolonged use may cause injury or health problems.
- If you find the item to be defective, cease use immediately and turn product OFF. Continued use may cause injury.
- Keep out of reach of children. Detachable parts may cause choking hazards.
- Do not place item in or near open flames. Do not attempt to heat the item up or place in high temperature areas. Do not use if hot. Any of these may lead to overheating, fire hazards or explosion of item.
- Always connect USB Cable to Charging Port facing the correct way up. Not doing so may lead to damage of product, overheating, or fire hazards.
- Do not force plugs into ports. This may lead to product damage.

#### Attention

- Always wash before and after every use.
- Do not boil or attempt to wash with hot water. Do not place in hot or cold water for extended periods of time.
- Do not clean with alcohol or highly acidic/alkaline cleaners. This may cause discoloration of product.
- Store away from direct sunlight, in a cool, dry place.
- Please do not store with insecticides, solvents, silicone items, or oil-based products. This may cause the product to become deformed.
- Please ensure USB is compatible with your AC Wall Plug Adapter.
- For first use, or use after a long period of disuse, please make sure to fully charge.
- To sustain battery life as long as possible, please recharge to full charge at least every 6 months.
- Always remove USB Cable when cleaning item.
- DO NOT drop or expose to extreme force as this may cause product damage.
- Do not place Product in mouth. Do not attempt to swallow product. Do not insert item in body.
- Do not use when tired or under the influence of alcohol as this may cause health troubles.
- Do not use in salt water or sea water. This may lead to product damage.
- Do not share with others to avoid transmission of contagious diseases and infections.
- Do not use on same part of body for over 15 minutes.
- Always turn OFF after use to avoid physical accidents or product damage.
- Always connect USB Charger facing the correct direction to avoid possible damage or fire hazards.
